- The inspectors indicated that the percentages for group work and use of computers is higher than normal in these survey results. We do continue to incorporate more group work and use of ICT in class lessons.
- We will be reminding pupils about the leadership and feedback they provide in managing lunch time league teams, co-ordinating paired reading with younger pupils, making St. Brigid's crosses with younger pupils, acting as tour guides for grandparents on grandparents' day, designing the school jerseys, co-ordinating the school library, co-ordinating station activities on the junior yard, acting as guides on the school garden open day and the work of the pupils on the green school and active school committees. We will also be considering more ways for pupils to have a say in how things are done in the school.
