

FIRST COMMUNION DVD RECORDING

9/01/2018

Dear Parents/Guardians,

As you are aware, we have now switched our First Communion to Saturday the 19th of May. We have provisionally booked a person to record a DVD of the ceremony but he requires a minimum of 30 orders at €20 per order to confirm the booking at the end of this week.

If you wish to have a recording made on the day and receive a DVD copy, please fill out the attached slip and return to the school with €20 before or on this Friday, the 12th of January.

If we have 30 interested families, we will confirm the booking with the video recorder. If not, we will return the money to those who have paid the following Monday the 15th of January.

It is no problem to us either way!

Regards,

Paul O'Donnell
Principal
